

SUBS OF NEWS.

Tobacco can be successfully raised in Nevada.
Hoochgang killed a man at Ponca Iowa, recently.
St. Joe is trying to capture the terminus of the Union Pacific road.
The soldiers' home, near Milwaukee, has eight hundred inmates.
There were seventy-five deaths from diphtheria in Pittsburgh last week.
A Jewish child died at Boston last week from the effects of cholera.
A small boy at La Crosse fell from his stilt, and broke his skull.
Virginia's debt is \$30,000,000, and the unpaid interest amounts to over \$4,300,000.
A frog was found in the Cornua coal-mine in Michigan, ninety feet below the surface.
The 77 crop promises now to make the best quality of tobacco that Wisconsin has ever produced.
Kookuk hopes to have a \$35,000 union depot before long. The railroad men are talking vaguely about it.
A woman who was bitten by a rattlesnake was cured by an external application of saltpeter.
Over one hundred Boston manufacturers mean to exhibit at Paris next year, whether congress helps or no.
The oldest man connected with the Wisconsin press is Hon. David McBride, of the Sparta Herald. He is in his seventy-eighth year.
Mr. M. P. Bush, of Buffalo, has placed his four year old black colt, Allie East, by Allie West, in the hands of Dan Macg, for training.
A New York special to the Inter-Ocean asserts that Theodore Tilton is again on visiting terms with "the white-souled Elizabeth."
The Michigan are products for the season up to date aggregate 804,070 tons, an increase of 80,559 tons over last year for the same period.
A brute in Virginia, Missouri, in a drunken frenzy wrenched the hair, skin and all from the top of his wife's head—actually scalping her.
A man in Bloomington, Illinois, is building corn-cobs so extensive that seventy thousand feet of lumber will be required in their construction.
In the years 1876-77 the state of North Carolina produced 125,000 bushels of peanuts; Virginia 780,000 bushels, and Tennessee, 500,000 bushels.
In Virginia and North Carolina, the acreage planted in tobacco is fifty per cent. larger than last year; the yield promises to be better in the same ratio.
The Janesville pickle factory has manufactured 35,000 bushels of cucumbers into pickles, and 4,000 barrels of sour kraut, during the season.

POLITICAL NOTES.

Senator David Davis did not attend the caucus of either party.
The Boston Post observes that the machine in Iowa is out of gear.
Mr. Pendleton has been interviewed and believes his chances for the senatorship are fair.
There are republicans who think the Ohio defeat is offset by their victory in getting rid of Stanley Matthews.
Colonel John G. Thompson will be the next chairman of the democratic national committee, if the Cincinnati Enquirer knows anything about it.
Judge Taft does not look for "bright news from Pennsylvania and New Jersey." And yet there will be some very bright news along about the 7th of November.
The Cincinnati Gazette seems to be satisfied that Father Taft will not make the Ohio senatorship this time and nominate Theodore Cook as a compromise candidate. Mr. Halstead, who never supported the republican ticket and platform, ought to come in somewhere.

QUIDITIES.

The Indians petitioned for all the refining influences of life, except a moth-er-in-law.
Boucault shares the too common experience—he is disappointed in "Marriage."
Mr. Pierpont: "This is too bad. To think of my returning to live among those horrid Americans!"
There has been no change in the fashion of overcoats—that is to say, last year's overcoats are worn this year.
General Howard asked, as he seized Joseph by the hand, "Why didn't you stop? What were you afraid of?"
In some portions of Virginia the bolters, particularly those who do not want to support General Walker for lieutenant governor, are nominating candidates for the legislature.

COMMERCIAL.
